9	Fund Approved, if any *2	NA
10	Fund Settling Date *2 (for closure)	NA
11	Brief Report of the event *3	Research has Become an integral part of Academic Curriculum. Both Postgraduates and Undergraduates should be motivated to take scientifically sound research at their respective levels, the hierarchy of evidence suggests that Descriptive Survey/Study form the stepping stone when it comes to research. Thus, it becomes imperative that the research tool used i.e., a Questionnaire should be Scientifically Constructed, Valid and Reliable enough to be give sound Research Output. Keeping this in mind INNOVA8 Oral Health Care, an academic association constituted under the Department of Public Health Dentistry, Faculty of Dental Sciences, SGT University organized a webinar on the topic "Questionnaire Designing in Research" in hybrid mode on 10 th February 2022 from 11 and to 1 pm for BDS third Year, BDS final year, Interns and Post Graduates. The guest speaker was Dr. Tanushridalvi (Assistant Professor, Department of Public Health Dentistry, Bharati Vidyapeeth (to be deemed) Sangli Maharashtra. She covered various aspects of Types of Research Designs, Questionnaire Designing and Various Aspects of collecting responses. Organization and conduction of the event was undertaken by the office bearers of the academic association. Student Secretary of the association & BDS Final year student, Mr. Mukul Mahalwal was the Master of Ceremony and the speaker was introduced by BDS Final Year student Mr. Ishan Taneja, student representative of the academic association. The vote of thanks was delivered by BDS Final year student Ms. Anchal Gupta, student executive member of the academic association. The Convener of the event was Dr. Abhinav Bhargava, co-adviso of the academic association. Dr. Anil Gupta, Dean, Faculty of Dental Sciences graced the occasion and gave his valuable insight. Dr. Shourya Tandon, Associate Dean & Professor, and Head, Department of Public Health Dentistry gave his insightful remarks and rightfully justified the need to undertake such webinars to make undergraduates and postgraduates aware of scientific basis
12	Role of participating students	Students will be able to clear their theoretical doubts and understand the concepts with relevant subject oriented examples through interactive session with speaker post subject matter oration
13	Role of students' committee	Designing of e-banner, creation of virtual link, publicizing the event among peers, One student will be the master of ceremony two others will introduce the speaker and propose vote of thanks respectively
14	Expected outcome as understood by the students	Students will be able to understand basic concept of a descriptive study/survey and also will be able to form a scientifically sound questionnaire tool that will enable them to carry out research of optimal quality and clinical or public health relevance
